Roles	The role(s) required to **Edit** a AT-AT DCAA Form 1 Record. • AT-AT - DCMA Contracting Officer
Editing a Form 1 Record	This guide provides an overview of how **AT-AT - Contracting Officer** can **Edit** a **DCAA Form 1** Record in the **Audit Tracking and Action Tool (AT-AT)** application that is assigned to them by the **DCMA Reviewer**. Log in to PIEE and access the AT-AT application. In the AT-AT application go to AT-AT Dashboard and locate the '**My Work**' section. Only records assigned to the user may be edited by that user. To edit a Record, locate the '**Edit Record**' icon directly next to the Record ID number. Click the icon to enter the record. **AT-AT – Contracting Officers** have access to the "My Work" table on the dashboard; sort the columns Form 1 Notice Number or Action Type by "Form 1" to help filter the assigned records. Alternatively, records may also be accessed through the AT-AT use the Search Functionality.
Record Header	The AT-AT Form 1 Record Header information is available at the top of the Edit screen. Records open to the Planned tab associated with its current pipeline position. All tabs are accessible during the data entry process. Continue with the training or select a tab link below to skip ahead. **Data Entry Header Tabs** • Planned • Resolved • Dispositioned

Once the user is finished within the History tab, they may either submit the record by selecting the "Submit" button at the bottom of the page or move back to any of the previous pages by selecting the tab; refer to the records pipeline position located within the header for a reference on which tab should be selected. |
| **Record Submit** | Selecting the **"Submit"** button, successfully, displays a success screen with the record information, useful for locating the record later for additional data entry. Submitting the document saves all edits.

Information provided on the Success screen:

- Record ID
- Pipeline Position

 |
| **Closed** | Once a record has been completed and all the necessary actions have been taken, the record must be closed.

Closing a Record

To close a Form 1 record, return to the **Forwarded pipeline** and indicate **"Yes"** in the **All Form 1 Actions Completed?** Field and click the Submit button. The **Form 1 Status** will auto populate with the "Closed" status, and the record will **Close**. |

Closed Records may be searched for and reopened within the next four years of the **"Record Closed Date"** value; otherwise, the record is moved to **"Archived"** and cannot be reopened.

Reopening a Record

For **AT-AT – Contracting Officers** looking to reopen a Form 1 record, use the search functionality to find the closed record; click the Record ID number hyperlink to open the record.
Click the **Reopen and Assign to Self** button and a pop-up confirmation displays with the message, "Are you sure you want to reopen this record"? Select "Confirm" to proceed with the process; the record will be **Reopened,** and the **Edit Record** screen displays. The record status will update to "**Reopened**".

Reclose a Record

To close a reopened record, return to the **Forwarded pipeline** and indicate "**Yes**" in the **All Form 1 Actions Completed?** field and click the **Submit** button. Reclosing a record restarts the four-year **Archive** timer.

Archived	Four years after the **Record Closed Date** has passed the record will automatically be archived by the system and the pipeline position updated to **Archived** from **Forwarded.** After being archived, the record is accessible to users as a "read-only" document and is no longer able to be reopened.
